

Intrepid Camera

**WHEN:**

Sunday, June 29th starting at 14:00 h

WHERE:

Main River, Frankfurt

Under the Untermain Bridge, by the Turkish Boat (south side)

WHAT:

We will build "Intrepid Cameras" and send them to record video of various types of urban explorations, not always available directly to humans. Think: spinning, flying, sailing, falling... and more!

BRING ONE OF THESE:

Videocameras (can also be cell phone cameras & photo cameras)

Helium Balloons

Floating objects

Elastic cable

String and Tape

Your creativity

WHY?

This will be the German counterpart for the Intrepidcam group meeting this weekend in New York City at the FigmentNYC Festival
